

According to the latest report from our chief scout Jim Lane, in Silver City, this is what I just received from them...

Bob,

I went by Little Walnut picnic area and the sign indicates as follows:

US Forest Service

Little Walnut:

Group East

Group West

Gates Open 8:00 a.m. - 7:00 p.m.

I called the Forest Service, and they indicated that the Gomez Shelter has not been reserved for the 24th. I explained that you were wanting this for a Great Race function. The lady indicated that alcohol was permitted, however any excessive consumption would result in everyone being asked to leave the premises.

Also, if you want to use the facility after 7:00 p.m., you must request in writing, when, why, and how late you would be there. She also indicated that she has never known of the Forest Service ranger to allow groups to stay beyond 10:00 p.m. The cost for rental is \$40.00

And I just received this email from our second in command, Tex and Diane Miller...

Bob,

The weather here has been cold & blustery to say the least traditionally - sooooo

rather than go to Little Walnut , would you be willing to move the bbq to our house???? We are located out of town (sorta) have a grill & a fire pit & most importantly 2 inside 'porta' / or not potties.

We have plenty of room inside & out for moving about- would love to have any & everybody come here after Issac's.

(before if all prefer, but don't want to snub alumni efforts to spend an hour or so @ their official little dealy, then everyone could head here for burgers, brats, beer & whatever)...

Miller & I would be more than happy to provide burgers (even cooked!) a huge potato salad , dessert, then do it byob. What do you think about that plan????

Soooooo, It looks like we'll be BBQing at the Miller's Friday evening.

Since the festivities at Isaac's, starts at 6 p.m., and most of you will want to make an appearance, the warming fire will be lit and the Oklahoma Cool-ade will be cold, when you get to the Miller's.

Follow-up email from the Miller's...

***Miller & I want to provide the burgers, brats, buns w /condiments as well as desserts-----
--we'll also have a couple cases of beer, boxes of wine & ice chests.***

If people want to contribute - have them bring a grocery store deli salad, snack or whatever else they want to drink.

Looking forward to it!!!! FOOD, FUN & REMEMBER WHEN!

Di & Tex
